- Dr. Quatela served as President of the American Academy of Facial Plastic and Reconstructive Surgery (AAFPRS) for the 2007-2008 year
- Vito C. Quatela, M.D., FACS specializes in Facial Plastics and Reconstructive Surgery of the Head and Neck including postablative reconstruction of oncological defects, congenital and traumatic deformities and facial aesthetic concerns.
- In 2004, Dr. Quatela opened "Q" The Medical Spa at the Lindsay House to provide non-surgical, medical treatment to body and face.
- Dr. Quatela is Board Certified by the American Board of Hair Restoration Surgery and an active member of the International Society of Hair Restoration Surgeons (ISHRS) and the American Hair Loss Council. With 18 years of hair restoration experience, Dr. Quatela has treated thousands of men and women for hair loss and implanted over one million hair grafts using microscopically controlled follicular unit transplantation.
- Dr. Quatela has served as Clinical Associate Professor of Otolaryngology at University of Rochester since 1999 and has participated annually as a preceptor/director for an AAFPRS Fellowship since 1996.
- Dr. Quatela's educational contributions include delivering facial plastics core curriculum and providing didactic and intra-operative teaching to otolaryngology, dermatology, oral surgery residents and medical students at University of Rochester and other medical schools across the U.S.
- His commitment to the medical community is evidenced in his composition and teaching of basic and advanced soft tissue principles & cadaver courses to residents, specialized fellowships, and P.A. & N.P. programs.
- His mentorship to colleagues and training of medical staff encourages divisional publications and research in the field of Otolaryngology and Facial Plastic and Reconstructive Surgery.
- Dr. Quatela's expertise and consultation in the field of facial plastic surgery is sought after by national advisories and health councils; research review committees; universities; and health & science agencies both nationally and internationally.
- As an active member of AAFPRS since 1985, Dr. Quatela has served in many positions including: Board of Directors; Executive Committee; Vice President for Education; Board of Governors; Eastern Regional Vice President; Craniofacial Committee; and Credentials Committee.
- Dr. Quatela has been actively involved with AAFPRS' "Face to Face" National Domestic Violence Program since its creation in 1994. And he currently serves AAFPRS as Senior Advisor on the "Membership/Residency Relations Committee" and on the "Fellowship Review Committee".
- Media exposure includes Dr. Quatela's guest speaker presentation on MSNBC and numerous printed publications. He has been published in multiple medical journals and publications to include: Facial Plastic Surgery; Operative Techniques in Otolaryngology – Head and Neck Surgery; Open Structure Rhinoplasty; Plastic and Reconstructive Surgery of the Head and Neck; Facial Plastic and Reconstructive Surgery; Otolaryngology – Head and Neck Surgery; and Facial Plastic Surgery Clinics of North America.
- He serves annually as a Board Examiner for the American Board of Facial Plastic and Reconstructive Surgery certification examinations.

- In 1993, Dr. Quatela transformed the Lindsay Mansion, a historical landmark on East Avenue, into a functional medical practice and Lindsay House Surgery Center where he is currently the Medical Director.
- His compassion for others, especially children, is demonstrated by the formation of HUGS (Helping Us Give Smiles) Foundation, Inc. in 2003. HUGS supports Medical Missions for children in Ecuador, where a team of surgeons donate their time and resources in correcting deformities such as cleft lips, cleft noses, microtia (severe deformity of the ear), and other abnormalities.
